## Available Options

- Case dimensions with casters:
  - HVI-3-305SC:  
63-9/16"H, 36"D, 60"W
  - HVI-3-406SC:  
63-9/16"H, 48"D, 72"W
- Two full curved ends.
- Exterior top and front panel with laminated overlay onto glossy black power-coated metal.
- Black plastic tag molding on shelves.
- 1-1/2" plex product stop on shelves.
- Lift gate shipping option.
- NEMA locking plug included with casters.

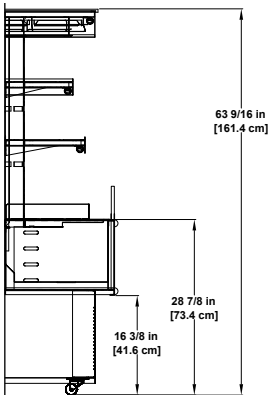

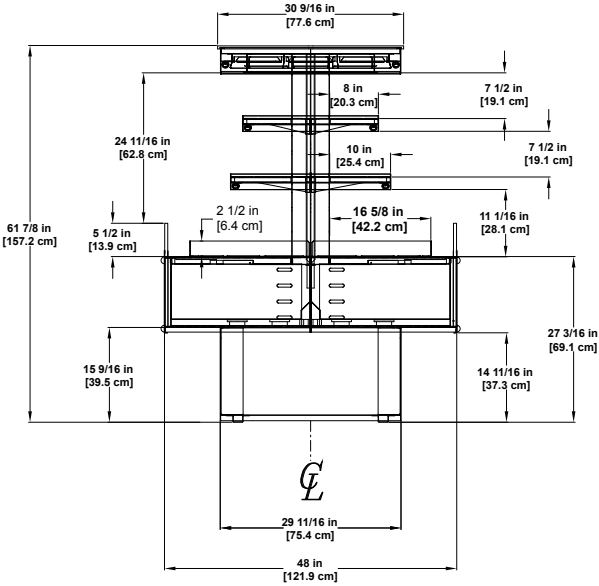

## Fast Facts...

- Airflow shelving creates multiple air curtains to improve product integrity and self-life, increasing sales.
- Case is designed for product to be held at 41° F or below.
- High-efficiency fan motor with oversized condenser coil easily handles adverse conditions a standard fan cannot.
- Fully balanced fan motor provides super-quiet operation.
- Designed to maximize energy efficiency and minimize operating costs.
- Clearvoyant® LED lighting has 360° adjustment, frosted lens and a variety of color temperatures to eliminate shadows and add "pop" to specialty items.
- Improved product presentation improves product sales.
- NEMA locking plug included with casters.
