Multi-Deck

Medium temperature utility case (cross-merchandiser) for deli, meat, and seafood products. Partitions allow the OM to lineup with the OHM for continuous display.

OHM
Synerg-E® technology delivers unmatched energy efficiency without compromising the integrity of the perishable products being displayed.

Available Options
- Multiple, different front styles available.
- Multiple front sill heights available.
- Adjustable wire racks provide display flexibility.
- Custom Colors, Finishes, and Textures.
- Available in traditional direct expansion as well as Secondary Coolant versions.
- Taller version available as OHMH, narrow depth version available as ONHM, custom-designed partitions line up the OHM with the OM single deck meat merchandiser to create continuous display impact with merchandising flexibility.
- Exclusive Clearvoyant® LED Lighting System.

Features and Benefits
- Synerg-E Technology with NRGcoil™ ensures uniform case performance and lower average product temperatures with optimum energy efficiency.
- Bottom-mounted NRGcoil and lift-up fan plenum for ease of maintenance.
- Seamless tank liner provides positive drain runoff and enhances sanitation.
- Standard Off Cycling defrost for cost-effective operation.
- Removable castors for easy merchandiser unloading, movement and installation.
